THE B. Y. A. SUMMER SCHOOL.

And Joint Official County Institute—Circular Letter to Teachers.

The following letter has been prepared and will be forwarded to school teachers this week. It is self-explanatory:

PROVO CITY, Utah, March 10, 1894.

FELLOW TEACHERS:—We kindly direct your attention to the course of instruction provided for the summer school of 1894 which will be held in Provo, beginning July 9th and ending August 17th and including one or two weeks of joint official institute.

The curriculum will embrace all of the summer school and academic branches of learning any one or more of which may be chosen. An efficient corps of instructors and specialists will have charge.

If you desire to know your strong as well as your weak points as a teacher and trainer, and receive suggestions as to the best means of strengthening the latter and improving the former, you will find opportunity in the normal training class daily and in the critic class semi-weekly.

Aside from the general instruction given, each student will receive the benefit of private aid from the professors when desired.

The tuition for everything will not exceed ten dollars.

Trusting to hear from you, we remain your co-workers,

B. CLUPE, JR.

G. H. BEMMEL, Managers.

D. H. CHRISTENSEN.

N. B.—Dr. Hinsdale of national renown has been engaged to lecture. Address all communications to the managers.

Manufacturers' Bureau.

THE DISPATCH has been asked to publish the following:

Salt Lake City, March 5th, 1894.

Dear Sir:

At a meeting of the Manufacturers' Bureau held today it was decided to call a meeting of Manufacturers for Friday evening, 9th inst., at Chamber of Commerce, Salt Lake City, to arrange for a mass meeting in the interest of home industries and for an exhibition of Utah manufactured goods. You are urged to be present.

B. F. GRANT, H. L. A. CULMER, A. M. GRANT, Executive Committee.

E. A. WILSON, of this city, has been appointed chancellor of the University of Utah by Governor West.

Mrs. B. F. FLEINER did not leave as expected last night. Her trip is deferred until the last of next week. She was unable to get ready.

MARSHAL Fowler arrested Ike Tiemel at Helper at 2 o'clock this morning for incest, but Tiemel has spirited the girl, his niece, away and now she has to be hunted up.

The city teams under Mr. Allred are doing efficient work in the western part of the city. It seems the mud has made special efforts at locating on the crossings. A great many loads of gravel are being sent down for which western residents are grateful.

The tabernacle will no doubt be filled on Saturday evening. The program will be made up of classic and popular selections. Wagner's, "Hail Bright Abode," is the grandest chorus our choir has attempted. With the orchestral accompaniment, it is a glorious composition.

A BANKRUPT stock of general merchandise has been placed on sale in the store room adjoining the post office. The place is crowded with people purchasing, and it will pay all persons desiring to purchase goods cheap to call early and get a choice.

CHIEF FOWLER last evening received a telegram from Helper stating that one Ike Tiemel a married man of that place guilty of incest and asking for an officer to make arrest. Mr. Fowler went to Helper on the late train last evening, and will arrest Mr. Tiemel and bring the witnesses obtainable to go direct before the grand jury.

In spite of mud, about a dozen ladies swooped down on Mrs. Ellen J. Egan last night to ask her how she liked to be thirty five like the rest of them. There was an elegant luncheon served by the lady's mother and daughters, who did not seem in the least surprised. Midnight saw the end of an informal evening, enjoyed as only such hours can be. Gentlemen strictly excluded.

THE DISPATCH job rooms yesterday turned out some blank checks for the First National bank equal to the best lithograph work. They were ordered by the bank for S. M. Duggins who had his card printed on them and he is more than delighted with them. There is no need of sending money out of Provo for any kind of printing. The work done at THE DISPATCH job rooms is equal to the best done anywhere.

Mr. A. J. BECKMAN, the hatter and dyer, leaves tonight for Ogden having cleared up all the work there was to be done in his line here and in every case has given the utmost satisfaction. It is hoped that business will justify his permanent location when he visits Provo again. Mr. Beckman will leave Mr. Van Voorhis here to look after any customers that may be left whose work will be sent to Ogden.

The firemen have secured the Christensen Dancing academy and band, with Mr. Joseph White as promoter, for a grand ball on Friday evening, March 16th. This will be their 21st Patrick ball. The same committee who had the last dance in hand are engineering this, and it goes without saying that when William Ward, Jas. Gray and John Nicholson have charge that it will be a success, and especially when under the auspices of Provo's popular fire department.

The boys of the Garden City Lodge No. 18, A. O. U. W. give their second dance tomorrow (Friday) evening in the Southworth hall and it goes without saying that this, as was the other, will be a grand success. The reception committee consists of twenty-three members including Messrs. Breton, Craig, Cochran, A. Eggefsen, Hoover, Alex. Hedquist, Jr., Pryse, McGurran, Rev. La Vake, Speckart, and others. The other committees are filled with competent men and in fact the affair is in the very best of hands.

While on his way home Mr. Weber was taken violently ill. He was removed to his home, where he died.—Baltimore Sun.

Consumption Checked

Obstinate Case of Catarrh

Local Applications Failed—Hood's Sarsaparilla Cured.

"G. I. Hood & Co., Lowell, Mass."

"Gentlemen:—I ought to make known my experience with Hood's Sarsaparilla, so that others afflicted may learn where to find a remedy for that serious and obstinate disease, catarrh. It troubled me seriously. I had a dull aching sensation in the top of my head, and the usual discharge from the nose. I became so bad that mornings I could do nothing but hawk and spit. My lungs were also being rapidly affected, and had it not been for Hood's Sarsaparilla, I would have died."

A Consumptive's Grave

long ago. I have taken about ten bottles of Hood's Sarsaparilla, which have effectually cured me. Before resorting to this medicine, I used all the catarrh remedies, inhalants and local application, I heard of. None seemed to reach the seat of the disease. In fact I grew worse while using them. I owe my cure to the blood purifying power of Hood's Sarsaparilla." MINNIE M. KEYSER, Pataskala, Ohio.

Hood's Pills cure all liver ills, biliousness, jaundice, indigestion, sick headache. 25c.
